

GLOBAL LEADERS ACCESS PROGRAM '22

Our Mission

Edversity is an E-learning platform, working on the mission to make accessible education for everyone through technology. We believe that with the support of our community, we will be able to produce 20,000 skilled people by the end of 2023 through our technology-oriented learning programs.

Let our experts help you accomplish your career goals.

Global Leader's Access Program

Edversity's Global Leader Access program is a 3-months virtual program aiming to empower youth and students through professional skills development under the guidance of experienced mentors and industry experts and prepares them to become leaders of change in their communities through leadership development, global citizenship, self-awareness, and vision planning.
